

Bronxville Union Free School District Food and Nutrition News

December 2021

Holiday Greetings

The Bronxville Dining Service team extends very warm wishes to our entire Bronxville community for a happy and healthy holiday season. We look forward to seeing our students back in the cafés in January 2022, where we will continue to provide an innovative, nutritious, and high-quality dining program. Please keep an eye out on [Nutrislice](#) for January 2022 menus!

Bronxville MS and HS New Serving Area: Grand Opening

Early this month, the food service team debuted the new serving area across the hall from our existing café. The new line features all of our student favorites and some new additions this school year.

Students have the option to pick up fresh pizza slices, pasta entrées, classic grill items such as hamburgers and chicken tenders, visit the customizable salad, deli, and açai bars or the chef's hot entrée of the day. We have been delighted seeing all of our students and staff visit us in the new serving area so far and look forward to welcoming more visitors.

As part of our opening, we kicked off the first of our in-person Discovery Kitchen series, an innovative program designed to bring a fun and inspiring sense of food discovery to our students and school community through culinary demos, recipe tastings, and nutrition education. Our Resident Dietitian greeted students, faculty, and staff with samples of seasonal Butternut Squash Macaroni and Cheese before they entered new serving area on the grand opening day.
